

Battle for the North Coast III

Sponsored by Viktor's Legacy & Great Lakes Outdoor Supply

2020 Ohio North Section Championship

Match Sponsors

Hosted by Crooked Creek Pistol League

Welcome

I would like to welcome everyone to the 2020 USPSA Ohio North Section Championship, the Battle for the North Coast sponsored by Viktor's Legacy & Great Lakes Outdoor Supply.

Please take time to thank all Match Staff because without them, we would not be here today to enjoy a good match.

I hope that you will all enjoy the stages that we have constructed for you and hopefully have your skills tested during the course of the match.

COVID-19

In Ohio we have a mandate put out by our governor which has a few items that pertain to our match. As we are actively participating at the match, we will not be wearing masks as an active shooter or as a RO in the process of actively running a shooter. We are required to maintain a 6' social distance OR wear a mask; the option is yours while we are not actively participating. We will ask you to please apply either one of these options while at the range and not actively participating. Anyone is welcome to wear a mask at any time while at the range (except while shooting) and you can feel free to do what you feel is necessary. Please respect the decisions of others to social distance or wear a mask as we mutually respect your decision to do the same.

Thank you,
Bretton Rebol
Match Director

Match Briefing

These policies are just as important as the rules. You are expected to read and understand the entire contents of this match publication. Questions will be answered at the shooter's meeting.

COLD RANGE - Crooked Creek Pistol League is a cold range. Firearms will not be handled anywhere on the range except in designated safety areas or under the direct supervision of a certified staff Range Officer. Handling firearms in parking areas is deemed unsafe gun handling (Rule 10.5.1).

SAFETY AREAS - Safety areas are located around the range to unbag and holster or unholster and bag guns and also for dry fire practice and gun repair, etc. No ammunition may be handled in any safety area. Safety areas will have a generous 'foot-fault' box immediately behind the table area. If you are standing completely in the box, you are considered to be in the safety area (Rule 2.4).

RULES - The match will be administered under the current USPSA Competition Rules.

OBEY YOUR RO's - Range Officers are here to assist you in completing a safe shooting contest. If there are indications that you are becoming unsafe, attempts will be made to warn you. If your gun handling has become unsafe, you will be stopped. When you hear **STOP!**, immediately cease firing, stop moving and wait for further instructions from the Range Officer (Rule 8.3.5).

SET STEEL & TAPE TARGETS - Competitors are expected to stay together as a squad, to tape, set & paint steel, and help maintain efficiency on each stage.

LOST BRASS - As a matter of efficiency, all brass collected from the Crooked Creek Pistol League range is deposited in the designated range pail. Brass is distributed to the range officers at the conclusion of the match in consideration for their hard work.

SCHEDULING - Competitors must compete for score according to the published match and squadding schedule. A competitor who is not present at the scheduled time and date for any stage may not attempt that stage without the prior approval of the Match Director, failing which the competitor's score for that stage will be zero (Rule 6.5.1).

Occasionally, stages will clear squads early. If your entire squad is available and the CRO approves, the squad will be allowed to shoot ahead of schedule only on the scheduled date.

COMPETITOR AGREEMENT - By competing in this event, you attest that you have read, understand and that you agree to comply with the match rules and regulations.

DRAWINGS & DIMENSIONS - Drawings and dimensions shown in this booklet are approximate and may change due to safety or production considerations. There may be additional no-shoots, vision barriers, or other changes. Inspect each stage carefully and listen to the written stage briefing (WSB).

STAGE INSPECTION - When the entire squad is assembled at the scheduled time, a brief written stage briefing will be given, followed by a five-minute inspection and question period. Shooters at their scheduled stage may negotiate obstacles only during the five-minute inspection period. The on-deck competitor **ONLY** may negotiate obstacles while the previous competitor's targets are being scored. Early inspection of a stage is permitted by competitors **only** if a squad is not currently on the course of fire or getting ready to begin it. Do not operate any of the moving targets or props that activate such movers. If the RO staff is present on a stage, please extend to them the professional courtesy of asking before inspecting the course of fire.

TIME TO SHOOT - The range is closed to all regular competitors prior to the scheduled match opening **August 28, 2020**, and daily after 6:00 PM. (Friday All-Day competitors who check in Thursday afternoon may inspect the stages at that time.) Friday, Saturday and Sunday we will start shooting at 8:00 AM.

Shooters are expected to come to the line with their gun holstered (PCC is flagged and bagged or carried muzzle up) and ammunition in place when it is their time to shoot. Competitors are expected to load and make ready quickly. Shooters not ready within a half-minute prep time may be asked to move aside for the next competitor.

OFF LIMIT AREAS - Safety flagging will identify areas beyond which competitors and spectators are prohibited for safety reasons.

EYE & EAR PROTECTION - All competitors must wear eye and ear protection while on the line. Eye protection is required to be worn by **everyone** while on the range (Rule 5.4.1).

D.Q. POLICY - Violation of safety or sportsmanship rules anywhere on the Crooked Creek Pistol League facility will result in match disqualification. This applies to fun shoots, vendor tent, function fire and sight-in areas as well as the match stages and chronograph.

HANDICAPPED SHOOTERS – May park in the Staff Parking Lot (south of Stage 9 & 10). Handicapped shooters can be brought to and from lunch by golf cart if requested.

PARKING – Please park in the lot south of the main club house (Registration). Please do not park in the area designated for the staff and handicapped shooters. We also recommend carpooling to help us make sure we have room everyone attending.

RESTROOMS - There are porta-potties located at the ranges. There is one designated for the LADIES and the handicapped in the southwest corner of the Staff/Handicap Parking Lot. Please be courteous and observe this request.

CHRONOGRAPH - The chronograph is scheduled after Stage 10. Report to the chronograph with the rest of your squad as indicated in the squadding schedule.

Awards

The 2020 Ohio North Sectional Championship has been approved as a Level 2 match and will be scored with the Following divisions being recognized:

Open	Production	Revolver	Carry Optics
Limited	Limited-10	Single Stack	PCC

Interim scores will be posted to Practiscore.com and final scores will be uploaded to USPSA.org at the conclusion of the match.

Trophies will be awarded to the winners of all Divisions. Trophies will also be awarded to:

First in class M through D (minimum 5 shooters)

Second in class M through D (minimum 10 shooters)

Third in class M through D (minimum 20 shooters)

High Lady – minimum 5 in division

High Junior – minimum 5 in division

High Senior – minimum 5 in division

High Super Senior – minimum 5 in division

All competitors must be *current* members of USPSA. Your most current class will be used for the division you are competing in. If you do not have a classification in the USPSA classification system, you will shoot unclassified. Shooter classifications will be verified and updated prior to the match date.

Any challenge to a score or penalty must be appealed to the Range Master by the competitor or his delegate prior to the subject target being painted, patched, or reset, failing of which, such challenges will not be accepted.

If you have a question regarding your posted score, recheck your score sheet. If you think there is a problem, contact the Stats Officer. We will do everything possible to avoid errors, but you are ultimately responsible for the accuracy of your score.
